SANTA PARADE
Saturday, 11/29

The annual Santa Parade is on the Saturday following Thanksgiving. All students who are in town are expected to participate in the parade. Since we are asking the community for a lot of support this year as we raise funds for our trip, it is important that we are active and visible in community events.

If you are going to be out of town on this day, bring a note from your parents by Tuesday, 11/25 so that you may be excused and Mr. Jones can make a parade line-up.

Students should report to the Band Room at 9:00 AM on 11/29. The parade lines up in the parking lot at 9:30 and begins at 10:00 AM. The route is from the High School to Jones Park. Wear warm clothes in Holiday colors - Reindeer antlers, Elf ears, and Santa hats are optional. As of now, the predicted high temperature on Saturday is 45°.
